A special note from the OJLA president...Kendall Harsh

I hope everything is great with you and your families. As school is coming to an end, **Nationals and Field Day are drawing closer!!!!** I just want to say congrats to everyone at OYE! At Field Day we will be talking about Nationals and selecting new officers for 2009-2010. At Field Day the officers are going to have a **WATER SLIDE** again so bring your swimming suits and water guns. And please, please no water balloons because we would like to leave the facilities better then when we found them. If you have any questions just call or text me at [405-503-3971](tel:405-503-3971). limigirl_21@yahoo.com
