***If Show Heifers Could Only Talk
The Top 10 things they would like to say:***

10. **Ya know buddy, it wouldn't hurt for you to go a little easier with that scotch comb.**
9. **I wonder if she really thinks I can't see the halter behind her back.**
8. **Uh-oh, a strange man walking around me with clean boots, new hat & starched jeans. Must be the judge. I'd better act like a total idiot.**
7. **Water hose, dish soap, clippers, brushes, hair spray—must be stock show time again.**
6. **Oh look, a clean trailer—we can change that right now.**
5. **One more jab with that show stick and this sucker's landing on top of the announcers table.**
4. **The one good thing about being owned by a girl is that your exhibitor smells good.**
3. **OK, he's going to push on my left hind foot with that stick—I better suddenly move my right one—or maybe I'll move all 4.**
2. **Near as I can tell, my first name is "Damn It."**
1. **You've got to be kidding—beet pulp cereal for breakfast again?**
